IRC - Friday 8 to Sunday 10 October 2021

HKPN - Saturday 9 to Sunday 10 October 2021

SAILING INSTRUCTIONS

The notation '[NP]' in a rule in the Sailing Instructions (SIs) means that a breach of this rule will not be grounds for a protest or request for redress by a boat. This changes RRS 60.1(a).

The notation '[DP]' in a rule in the SIs means that the penalty for a breach of that rule may, at the discretion of the protest committee, be less than disqualification.

1. RULES

- 1.1 The China Coast Regatta 2021 and Hong Kong Kettle 2021 (collectively, 'the event') will be governed by:

- 4.3 When flag AP is displayed ashore, '1 minute' is replaced with 'not less than 60 minutes' in the Race Signals AP.
- 4.4 If flag L is displayed ashore, it will be displayed over a numeral pennant that corresponds to the number of that notice.

5. SCHEDULE OF RACES

- 5.1 The provisional schedule of races is as follows:

- 5.3 The schedule in SI 5.1 may be varied by increasing or decreasing the number of races in a day, provided that IRC Racer Class shall not have more than three races a day and no other class shall have more than two races a day.
- 5.4 The scheduled time of the warning signal for the first race each day is 1025hrs. The starts of subsequent races will be signalled as soon as it is practicable to do so.
- 5.5 To alert boats that a race or a sequence of races will begin soon, the orange starting line flag will be displayed with one sound signal at least five minutes before a warning signal is made.
- 5.6 On Sunday 10 October, no warning signal will be made after 1600hrs. In the case of one or more general recalls when the initial warning signal was made prior to 1600hrs, the race committee may display subsequent warning signals after this time. This exception will not apply to a race that is abandoned or postponed.
- 5.7 No race will be started if local Storm Warning Signal No. 3 or higher is in effect. Any race affected may be rescheduled.

6. CLASS FLAGS

- 7.1 The racing area for windward/leeward and most islands courses will be in the waters to the east and south of Hong Kong Island. Some islands courses extend to the waters to the east of Sai Kung.
- 7.2 For windward/leeward courses, the starting area will be south-east of Lamma Island. For islands courses, the starting area will be south-east of Lamma Island or south of Stanley Peninsula as advised by the race committee on VHF Channel 72. The location of the starting area may be changed by the race committee at any time and will be broadcast on VHF Channel 72.

8. COURSES

- 8.1 Appendix A lists the windward/leeward courses. Appendix B lists the islands courses.
- 8.2 No later than the warning signal, the race committee signal vessel may display the approximate compass bearing of the first leg.
- 8.3 A windward mark may be laid for an islands course and a red or green board or flag will be displayed by the race committee signal vessel to signify if the mark is to be left to port (red) or starboard (green).

9. MARKS

9.1 For windward/leeward courses,

Mark A will be:

IRC Racer Division 1 and IRC Cruiser - a **black inflatable buoy**.

9.2 For islands courses, the windward mark (if laid) and Ocean 1 and 2 marks will be **orange inflatable buoys**.

The approximate GPS coordinates of the Ocean 1 and 2 marks are in Appendix B. Other marks of the islands courses will be geographical features. Any difference between the coordinates of the Ocean 1 and 2 marks in Appendix B and the actual location of the marks will not be grounds for redress. This changes RRS 62.1(a).

The **starting marks** will be a race committee vessel at the starboard end of the line and an orange inflatable buoy with a white jacket at the port end.

The **finishing marks** will be a race committee vessel at the starboard end of the line and an orange inflatable buoy with a pink jacket at the port end.

- 10.4 Marine works areas as described in current Marine Department Notices (see SI 1.4) shall be considered prohibited areas.
- 10.5 Commercial vessels underway and vessels engaged in towing shall be considered to be a 'Moving Prohibited Area' as follows:

 - Abeam of the vessel, 100 metres or two widths of the vessel, whichever is greater.
 - Astern of the vessel, 50 metres.

- 10.6 Boats shall not enter any prohibited area. Any boat entering a prohibited area shall be automatically and irrevocably disqualified without any hearing. This changes RRS A5.1 & A5.2.
- 10.7 At all times boats shall keep clear of commercial traffic.
- 10.8 All prohibited areas defined in this rule shall also be considered 'obstructions' (as provided for in the RRS definition of 'Obstruction') and applicable to RRS 19 and 20.

11. THE START

- 11.1 RRS 26 applies with the warning signal five minutes before the starting signal.
- 11.2 The starting line will be between staffs displaying orange flags on the starting marks when they are both committee vessels, or between the staff displaying an orange flag at the starboard end of the line and the course side of the port-end starting mark.
- 11.3 [NP][DP] Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other races.
- 11.4 A boat that does not start within 10 minutes after her starting signal will be scored Did Not Start without a hearing. This changes RRS A5.1 & A5.2.
- 11.5 [NP] The race committee may transmit on VHF Channel 72 the sail numbers of OCS boats.

12. CHANGE OF THE NEXT LEG OF THE COURSE (windward/leeward courses only)

To change the next leg of the course, the race committee will lay a new mark (or move the finishing line) and remove the original mark as soon as practicable. When in a subsequent change a new mark is replaced, it will be replaced by an original mark.

13. THE FINISH

The finishing line will be a line between a staff displaying a blue flag on the finishing mark at the starboard end and the course side of the port-end finishing mark.

14. PENALTY SYSTEM

- 14.1 A boat that has taken a penalty or retired under RRS 44.1 shall email an acknowledgement form to sailingoffice@rhkyc.org.hk within the protest time limit. The form will be available at www.chinacoastraceweek.com.
- 14.2 When the protest committee decides that a boat which is party to a protest has broken a rule and is not exonerated, it may impose a scoring penalty (which may be no penalty) at its discretion, as an alternative to disqualification. This changes RRS 64.2.

15. TIME LIMITS

- 15.1 For windward/leeward races, if the leading boat in a class or division has not rounded the first mark within 30 minutes after the start, the race for that class or division may be abandoned.
- 15.2 For windward/leeward races, if the leading boat in a class or division fails to finish a race within 90 minutes after the start, the race for that class or division may be abandoned.
- 15.3 For islands races, if the leading boat in a class or division fails to finish a race by 1630hrs or such later time as announced by the race committee on VHF Channel 72, the race for that class or division may be abandoned.
- 15.4 A boat which fails to finish a windward/leeward race within 30 minutes (elapsed time) of the leading boat in her class or division or fails to finish an islands race within 120 minutes (elapsed time) of the leading boat in her class or division will be scored Did Not Finish without a hearing. This changes RRS 35, A5.1 and A5.2.

16. PROTESTS AND REQUESTS FOR REDRESS

- 16.1 Hearing request forms are available at the race office and online at <https://www.rhkyc.org.hk/race-management.aspx> - [Protest Committee Resources](#). - 16.2 Protests relating to measurement, ratings or handicaps shall be submitted before the expiry of the protest time limit for the first day's racing on Friday 8 October.
- 16.3 For each class or division, the protest time limit is 60 minutes after the last boat in the class or division has finished the last race of the day or the race committee signals no more racing today, whichever is later.
- 16.4 Notices will be posted no later than 30 minutes after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses. The notices will also be posted on

www.chinacoastraceweek.com. Hearings will be held in the protest room located at RHKYC Middle Island at the time posted, except that any protest hearings from Sunday's races will be held in the Protest Room at Kellett Island on Monday 11 October 2021 from 1830hrs.

- 16.5 It is the responsibility of each competitor to ascertain whether or not he is required to attend a protest hearing, to attend at the correct time and have all likely witnesses in attendance. Failure to attend at the appointed time will not be grounds for redress. This changes RRS 62.1.
- 16.6 Notices of protests by the race committee or protest committee will be posted to inform boats under RRS 61.1(b).
- 16.7 For protests where only a rule of RRS Part 2 or RRS 31 is alleged to have been broken, an arbitration hearing may be offered prior to any formal protest hearing. RRS Appendix T will apply.

- 17.2.4 HKPN Class: When fewer than four races have been completed, a boat's series score will be the total of her race scores. When four races have been completed, a boat's series score will be the total of her race scores excluding her worst score.
- 17.2.5 For all classes and divisions a score of DNC cannot be discarded unless the failure to compete was due to no fault or choice of the entered yacht.

17.3 Hong Kong Kettle 2021:

For teams entered in the Hong Kong Kettle, scores will be calculated by combining each boat's China Coast Regatta 2021 scores without any discard. This changes RRS A2.1.

18. CREW [DP]

18.1 For IRC Racer Divisions, each boat shall restrict the number of crew carried on board whilst racing to comply with its Declared Initial Crew Number (DICN) or the crew number on its IRC certificate with the following permitted variations (except as provided in SI 18.3):

Up to 4	-1 +1
5 to 12	-2 +2

19. SELF STEERING AND POWERED DEVICES

- 19.1 The use of electronic, mechanical and wind-vane devices for steering is prohibited.
- 19.2 In accordance with IRC Rule 15.1, RRS 52 shall not apply to boats using stored power for adjustment and operation of sails and moveable appendages.

20. SAFETY REGULATIONS

- 20.1 [DP] Any boat that retires from a race shall notify the race committee as the first reasonable opportunity.
- 20.2 Notification can be made by VHF Channel 72 or telephoning Race Control on 9326 5908.

- 21.2 Boats shall not race with an anchor stowed externally on the bow. Any boat that does not comply with this requirement will be subject to disqualification by the race committee without a hearing. This changes RRS 63.1 and A5.1.

22. SAFE NAVIGATION

At all times, including when not racing, boats shall be careful to avoid any close-quarter situations with commercial vessels (see SI 10). Any report to the organising authority that this has not been complied with will be investigated and action may be taken by the race committee by protesting the boat involved and, if found justified, by barring her entry in further races, or future events, of the organising authority.

23. PRIZES

- 23.1 Prizes will be awarded to the first three boats in each class or division in the China Coast Regatta 2021 at a date to be announced later.
- 23.2 A prize will be awarded to the winner of the Hong Kong Kettle 2021.

- 24.2 Persons in charge and skippers are invited to co-operate closely with the organising authority, race committee and the RHKYC Sailing Office in completing the formalities of their boat entries by submission of all required information, certificates, forms etc. within the deadline dates quoted throughout these SIs. It is the sole responsibility of the owners and/or skippers to comply with the deadline dates and failure to do so in respect of any aspect will be treated as a failure to enter the China Coast Regatta 2021 and the Hong Kong Kettle 2021, in which case, boats will not be eligible to compete **unless** evidence of genuine extenuating circumstances for the lateness is accepted by the race committee.
