# Hong Kong to Hainan Race 2026

## NOTICE TO COMPETITORS #1

Due to unforeseen regulatory restrictions beyond the control of both Yacht Jolt and the Organising Authority, the boat is unable to proceed to the designated finish in Sanya, Hainan. A separate virtual finishing line outside Sanya waters has been established for Yacht Jolt.

The finishing line is in the vicinity of the Yalang Bay Prohibited Area Point B, whose coordinates are 18° 07.993N, 109° 41.783E. Yacht Jolt shall finish when she is within 100m of the point and the magnetic bearing from the yacht to the point is 345°.

For scoring purposes and comparison with boats finishing at Sanya, Jolt's projected finishing time at Sanya will be calculated by applying her average rate of progress to the separate finishing line to the remaining distance from that line to the designated finish at Sanya.
